

## GLOW WITH YOUR HANDS CAREER DISCOVERY FESTIVAL

Tuesday, September 28, 2021 - 8 a.m. to 2:30 p.m.  
Genesee County Fairgrounds, Batavia, NY 14020

In 2019, GLOW With Your Hands provided more than 800 local High School students with hands-on experiences in exciting careers growing in the advanced manufacturing, agribusiness, construction, energy, and skilled trades industries. More than 50 exhibitors shared their businesses to the next generation of talented workers, local and state leaders, and media members.

What better way to advertise your company/organization to the next generation than at the 2nd Annual GLOW With Your Hands? This event is hosted by the GLOW Workforce Investment Board, Genesee Valley Educational Partnership, Genesee County EDC, Livingston County IDA, Orleans County IDA and Wyoming County IDA; and the Genesee County Ag Society - which is a 501(c)3 non-profit organization.

**Your donation/sponsorship may be tax deductible:  
download a W-9 form at [GLOWWithYourHands.com](http://GLOWWithYourHands.com)**

## There’s more ways than ever to connect directly with students in the GLOW Region

### Become a GLOW With Your Hands exhibitor:

50+ companies provided hands-on experiences at the 1st GLOW With Your Hands, meeting with over 1,000 students, educators and community leaders. Attract future leaders this year with a hands-on exhibit. Contact Exhibitor Coordinator Jon Sanfratello at jsanfratello@gvboces.com for more information.

### Become a GLOW With Your Hands volunteer:

Event volunteers enable GLOW With Your Hands to be a rewarding experience for every participant, with volunteers assembling hard hats, guiding school groups, and other activities based on their availability and talents. There are opportunities to make an impact both at the festival, and in roles before and after the event. Visit GLOWWithYourHands.com for more information.

**Host a pre-apprentice:** Multiple programs are available to support pre-apprenticeship experiences, with financial and talent connection support available. Contact Chris Suozzi at csuozzi@gcedc.com for more information.

**GLOW Virtual:** GLOWWithYourHandsVirtual.com launched in 2020 to bring careers to remote learners and kitchen-table career exploration, and companies are able to directly showcase their careers to parents, teachers, and students. Contact Karyn Winters at kwinters@geneseeny.com for more information.
